

Welcome to Paddington Basin pre-bookable moorings

Welcome

Welcome to Paddington Basin pre-book visitor moorings, and we hope you enjoy your stay.

This leaflet contains some useful information about local services and facilities. If you experience any problems during your stay, please contact the London and South East Customer Service team on 03030 404040 (Monday to Friday 9am – 5pm) or email Enquiries.londonsoutheast@canalrivertrust.org.uk

Information about the mooring

The mooring is situated north of the rolling bridge and beside Waterside House, 35 N Wharf Rd, Paddington, W2 1NW.

Pedestrian access is through the towpath during the daytime opening hours. This is accessible 24 hours a day.

There are six pre-bookable moorings. You will either be booked on the towpath side of the pontoon (narrow boats only), or the canal side (wide beams only). Ensure you use the correct mooring rings. Try and be flexible with your neighbor. If two 72 footers have booked the spaces, they may need to squeeze up.

Arrival time at the Mooring is after 1pm
Departure time is no later than 12noon

Site rules

In addition to your license terms and conditions we do have some specific site rules:

- Craft must be licensed correctly and have a current Boat Safety Certificate and insurance.
- Only smokeless fuels may be burnt. Wood to be used for kindling only, no logs to be burnt.
- Do not tie onto the trees, all trees in Westminster have a blanket preservation order and damage can incur a hefty fine.
- In the interest of fairness to all boaters should you encounter any problem with vacating the berth you must advise us immediately. If the moorings are not booked, you may extend your stay (up to a maximum of 7 nights). To extend your stay please visit [https://licensing.canalrivertrust.org.uk/prebookable moorings](https://licensing.canalrivertrust.org.uk/prebookable-moorings) or call 03030 404040.
- We will make every effort to ensure that the mooring you have booked is available for you. If you find that someone has taken your space, please get in touch with us and we'll investigate and try to resolve the situation as quickly as possible.

Local boater facilities

The closest sanitary station is situated through the bridge on the west side of the pool and we strongly recommend you service your craft as you arrive. Coal boats do operate in the area but not on a daily basis and are very busy in the winter, so we also recommend you have enough coal, diesel and gas to last you for your stay.
